

## **November Declaration**

### **A Declaration of Thanksgiving**

LORD, during this month of Thanksgiving, I focus on your love for me. I focus my attention on all the things you've done for me. For the grace you've provided in my life. For the way you kept me when I didn't want to be kept. For sparing my life when the enemy was attempting to kill me. You prepared a way of escape, when I couldn't see my way out, as is according to your word in Psalm 124: 7 "Our souls have escaped like a bird from the trapper's snare; The snare is broken and we have escaped." You made a way, opened doors that I thought were shut, showed me things I never thought I could see. This is my month of thanksgiving to you. When the enemy came in like a flood you rose up and protected me. Even when I was at a point of death, you made death behave itself. So, for all of these reasons and many more, I give you thanks each and every day.

I will never be lonely for your word said in Mathew 28:20b "and behold, I am with you always, to the end of the age." For that I give you thanks! I dedicate myself to giving you thanks each and every day of this month, focusing on all you've blessed me with, all you've done for me, all you've kept from me, all you provided for me. Knowing that my steps are ordered by you Lord, I give thanks for where I am today, trusting and believing that you are guiding me along the way.

Your word has shielded me, covered me, and protected me. So, I say thank you. I decree and declare, that for the rest of my life, I will strive to live in a posture of thanksgiving. For every breath that I take, every movement of my limbs, for site both physical and spiritual, for your love and constant guidance, I bow to you and only you, giving you praise and thanks with my everything. Because Every Day should be a day of Thanksgiving, I echo Psalm 138:1, which says, "Of David, I give you thanks, O Lord, with my whole heart; before the gods I sing your praise."
