

## New Beginnings in 2022

I will focus forward when considering the past will hinder me. Lord, I will start this year by focusing on the future. Psalm 37:23 says, "The steps of a man are established by the Lord, And He delights in his way." Therefore, my steps will be ordered, and my mind will be clear to seek Your will for My Life. Destiny and focus are my goals for this year. I will believe by faith that every step will be directing me towards my purpose. In this time of prayer and concentration, I am believing you for clarity, purpose, and understanding. I will see more clearly and will believe you for the impossible, for according to Luke 1:37, "For nothing will be impossible with God."
